

Fees Schedule and Conditions

Your shipment may incur fees in addition to the base rate you were provided. Below is a list of accessorial and conditions of KaideX Transportation Services which may be assessed to your shipment. Fee schedules below are applicable to KaideX's carrier division. For KaideX's freight intermediary division please contact a rep for details. This Document is live and is subject to modification and / or change without notice.

Definition and Charges

Valuation and Coverage

Standard liability is based on \$2.00 per lbs.; in which only applies to the damaged or missing portion of the shipments and not the entire weight. Canadian funds on the actual weight of the shipment, subject to the limitations of liability contained in Carrier's Bill of Lading/Standard Bill of Lading Act. Carrier will NOT be held liable for any miscellaneous charges or costs assessed by either shipper, consignee or any third party which do not directly relate to the value of the goods transported, as determined at the time and place of shipment. Such instances may or may not include, but are not limited to the following: Penalties or late fees levied against shipper, carrier or any third party as determined for late delivery, missed appointment, split deliveries, shortage and / or damages. Valuation or additional insurance needs are available. Please contact KaideX X for further details.

Administrative Charge(s)

Payer rebill surcharge, whereas by definition a biller requests in writing for a change in the billing of freight charges.

Address Correction surcharge, where as by definition an address on a shipping label, waybill, bill of lading, packing slip is incomplete or incorrect and KaideX has to attempt to find the correct address to attempt to complete delivery, there will be a surcharge assessed. IF delivery is not met due to inaccurate information, we are not liable for failing to meet our delivery commitment.

Payer rebill rate \$8.50 per administrative change

Address correction rate \$8.50 per correction

Tailgate Requirement

Pick up or delivery requiring tailgate requirements will be subject to a surcharge.

Rate \$35.00 for 1-2 skids* ; \$10.00 each skid* beyond 2 *

Tailgate services are rendered based on skids 40x48x48, with a weight restriction held at 1300lbs. Shipments beyond these variables, will be assessed based on density, height and other restrictions. Kaide X is not obligated to perform such duties if the truck is not equipped with such device and / or the operator is not available. This service cannot be performed if such locations are not considered safe and accessible to the vehicle. Shipments with improper packaging or demised skid quality may be exempt from this service; as there is imminent risk to the operator. Tailgate services are rendered as curbside deliveries, for further delivery services see corresponding charges or call a representative.

Weekend and Holiday Pick up and Deliveries

Freight scheduled for pickup and / or delivery on Saturday, Sunday or Stat holiday are considered for extra charges.

Please contact a KaideX rep for surcharge rate

If KaideX picks up and/ or delivers freight for the customer, the customer is obliged to pay the rate produced by KaideX based on any quotation, written or verbalized rate by any agent of KaideX. By awarding KaideX with the pick up, delivery and / or both of goods directed by the customer, the customer agrees upon the terms and conditions of the charges for the freight. Without requesting a rate, the customer agrees to pay the rate produced by KaideX for freight services rendered.

KaideX will not carry any freight on KaideX owned vehicles whereas the driver is denied access to secure the load in accordance with the cargo securement act, nor be liable for any damage due to denied access to secure said load.

KaideX operated equipment does not carry dangerous goods and the customer will be liable if any freight is loaded without proper markings onto a KaideX vehicle that is regulated to be dangerous goods without disclosing that the goods are dangerous goods. KaideX can arrange your dangerous goods shipments through our freight intermediary division.

KaideX is not liable for damage by any carrier, outside of KaideX equipment, due to incorrect load securement.

NOTE: Skid is defined as skids, pallets, totes, drums, crates, units of measure at 40" L x 48"W .
